

# GIVE YOURSELF THAT WARM AND FUZZY FEELING THIS WINTER

By organising some activities to help support the most disadvantaged children, young people and families across the UK.

## WINTER SOLSTICE

Celebrate the shortest day of the year (Thursday 21 December) and serve up some winter warmers for Action for Children. Offer your colleagues hot chocolate, hearty soups and pies.

## WALKING IN A WINTER ONESIE-LAND

A dress down day with a difference! It's cold outside so why not keep warm in the ultimate comfy attire while raising money for Action for Children. Invite your colleagues to pay £2 to wear a onesie to work.

## NEW YEAR, NEW YOU

Make a fresh start to the new year by giving up a bad habit for January. Ask for sponsorship and pay a fine if you break your word. Your motivation will be helping the most disadvantaged children across the UK.

## BURNS NIGHT

Celebrate all things Scottish on Thursday 25 January. Serve up some haggis, neeps and tatties and dust off your tartan while raising money for Action for Children.

## CLEAR OUT THE CLUTTER

Start afresh this New Year by holding a jumble sale of any unwanted items to raise money for Action for Children.

## GINGERBREAD HOUSE COMPETITION

Get creative with some delicious treats, ask your colleagues to pay to enter their sweet structures and judge all the entries to find the best biscuit builder amongst you.

HOW

**ACTION FOR CHILDREN**

**WORKS**
