

WINTER FUNDRAISING FUN!

Give yourself that warm and fuzzy feeling this winter by organising some activities to help support the most disadvantaged children, young people and families across the UK.

Walking in a winter onsie-land

A dress down day with a difference! It's cold outside so why not keep warm in the ultimate comfy attire while raising money for Action for Children. Invite your colleagues to pay £2 to wear a onsie to work.

Clear out the clutter

Start afresh this New Year by holding a jumble sale of any unwanted items to raise money for Action for Children.

Gingerbread house competition

Set yourself the challenge to get creative with some delicious treats. Ask your colleagues to pay to enter their sweet structures and judge all the entries to find the best biscuit builder amongst you.

New Year, New You

Make a fresh start to the year by giving up a bad habit for the month. Ask for sponsorship and pay a fine if you break your word. Your motivation will be helping the most disadvantaged children across the UK.

Burns night

Celebrate all things Scottish on Friday 25th January. Serve up some haggis, neeps and tatties and dust off your tartan while raising money for Action for Children.

Chinese New Year

Gung Hey Fat Choy, 2019 is the year of the pig! Show your excitement for the New Year by involving your family and friends to a traditional Chinese New Year dinner, and ask for a small donation for Action for Children.

Winter solstice

Celebrate the shortest day of the year (Friday 21st December) and serve up some winter warmers for Action for Children. Offer your colleagues hot chocolate, hearty soups and pies.

Boxing Day Sponsored Walk

There's nothing better than a long walk after a day of indulgence. Avoid the Boxing Day sales this year and escape to the countryside. Organise a sponsored walk for your friends and family and donate all the funds you raise to Action for Children.

Bling up your beanie

Get creative and decorate your beanie with tinsel, holly and baubles for a small donation! You can even hold a competition for best Christmas beanie design.

Lose the booze this January

After the indulgent winter months and office parties why not swap your beers for a brew or cocktails for a cappuccino and give up alcohol for the whole month of January. Use the official Dry January app to track your progress and invites your friends, family and colleagues to sponsor you. Please get in touch for more information and materials.

Apres-Ski Party

This winter, bring the apres-ski to you! A trip down the slopes isn't for everyone, but the after-party certainly is. For an entry fee, invite guests to join in your very own Alpine wonderland, create the perfect winter party with as much fake snow, pine cones and fairy lights as you can muster.

Warm up with a traditional cheese fondue and host a winter wine tasting - cosy knits and ski props very much encouraged.

Picture Perfect

Run a photo competition in the office with the best pictures being used to create the new 2019 calendar! Sell the completed calendar to raise vital funds for Action for Children.

Mince pie and mulled wine

Spread some Winter warmth with a mince pie and mulled wine fundraiser. All you need to do is organise some mulled wine and mince pies and then charge colleagues, friends or family a small donation in exchange for some delicious treats!
