Byte Night is the UK's biggest corporate sleep out event.

Taking place in 12 regions, Byte Night gives you the chance to network with fellow businesses, enjoy a unique team bonding experience, and spend an unforgettable night sleeping under the stars.

Why sign up to sleep out?

Every year, 83,000 young people in the UK experience homelessness through no fault of their own.

Relationship breakdown, mental health issues, neglect and abuse drive young people on to the streets, leaving them without support and with nowhere to call home.

Byte Night raises money to fund our work with vulnerable young people, giving those who are at risk of or experiencing homelessness a brighter, more stable future.

By signing up to sleep out on Friday 4 October 2019, you'll help us reach more young people at risk – before home becomes a park bench.
